**TRAINING & PLACEMENT CELL**

A very critical department for an institution is its Training and Placement Cell, for herein lies the future of its students and in a larger the status of the college. For any admission seeker fresh out of school, the Mahatma Gandhi Institute of Technical Education and Research Centre, Navsari gives them an assurance of the future along with sound and regular teaching obviously becomes their choice of preference. Education at institute is not only enhances the knowledge and understanding but also strives for self reliance.

Training & Placement Cell has an important role to play in student's future an indispensable pillar of the Institute. It works with the goal of providing excellent career opportunities to all students of our colleges. The main aim of the placement cell is to provide a unique platform to the students by acting as a link between the industries and the academia.

We are proud to have an efficient Training & Placement Cell which facilitates the process of training and placement of students studying in the Institute. The college has a dynamic and well-established "Training and Placement Cell" headed by a Placement Officer and assisted by one faculty coordinator and student coordinators from each Department.

**Process of Management of the Training and Placement cell:**

- T & P activities start from 3rd Semester of Engineering itself.
- In earlier semesters focus is on grooming students so as to make them more compatible with Industry demands.
- T & P Cell helps students for industrial visits, live projects from industries, internships.
- Periodic Seminars of experts from Industries are organized by T & P Cell.
- Experts from various industries, visit Institution on various occasions to interact with students.
- T & P Cell conducts Soft Skill Programs for Students.
- T & P Cell also conducts mock quantitative aptitude tests, technical aptitude tests, group discussions in order to prepare students for Placement Interviews.
- T & P Cell contacts various Industries and invites them for Campus Recruitments.

**Formation of Training and Placement Cell**

Training and Placement cell is formed under the chairmanship and able guidance of Dr. Gautam Upadhyay, Principal of this institute. Prof. Tejas Kothari and Prof Preeti Patel are the coordinators for the T & P cell.

**Placement Activities:**

Invitations are sent to the prospective companies/organizations along with all relevant information to participate in the campus recruitment. Regular correspondence is maintained with various industries. Personal visits by the Training and Placement Officer, to companies also serves to build and maintain relations with the companies.

The cell maintains a branch-wise record of all current appearing students in the Final Year through the collection of their resumes. Based on the requirements prescribed by the company, the eligible candidates are invited for appearing for the test/interviews that are conducted by the visiting companies.

**Responsibilities and Duties of Training and Placement Officer:**

- To look after the training and placement activities of students.
- To have close liaison with industry for placement of students.
- To work in consultation with Coordinator Industry Institute Interaction for organizing lectures from the professionals from industry.
- To collect feedback from the companies coming for placement.
- Arrange Training programmes for soft skills and for interview facing skills for the students using institutional and external expertise.
- To organize the entrepreneurship workshops.
